

Topic: Plants	Year 1 Age 5-6	Title: Class book on plants
Working Scientifically Focus Do: gather and record		Conceptual Knowledge Focus identify and name/ describe the basic structure of a variety of common wild and garden plants, including deciduous and evergreen trees

Example

Children took photos of plants and made them into an electronic class book using Book Creator. An adult scribed the children's comments about what they noticed.

See the full book at:

<https://youtu.be/INCTX7y9Va8>

(unlisted so can only see if you have the link)

The book could focus on identifying plants or describing their structure. Children meeting the objective(s) would be able to identify the type of plant and/or name parts of the plant.

Example from Ashley Down Schools, Bristol
