

TAPS Cymru Focused Assessment example

Topic: Living things	Year 2 Age 6-7	Title: Caterpillar observations
Inquiry Focus Do: I can observe I can communicate my ideas (observing over time)		Concept Context I can explore relationships between living things, their habitats and their life cycles.

Example

Children made close observations of the class caterpillars in drawing and/or writing every couple of days to catalogue their growth.

Children meeting the objective would be able to describe their observations of caterpillar growth orally, in words and/or pictures.

Example from Blessed Carlo Acutis Catholic School - St. Mary's Campus, Merthyr Tydfil
