forces, magnets, movement and energy | upper primary | set 1

# gravity

# gravitational pull

forces, magnets, movement and energy | upper primary | set 1

forces, magnets, movement and energy | upper primary | set 1

# supported

# unsupported

forces, magnets, movement and energy | upper primary | set 1

forces, magnets, movement and energy | upper primary | set 1

# moving

## stationary

forces, magnets, movement and energy | upper primary | set 2

## friction

forces, magnets, movement and energy | upper primary | set 2

forces, magnets, movement and energy  $\mbox{\tt I}$  upper primary  $\mbox{\tt I}$  set 2

### water resistance

forces, magnets, movement and energy I upper primary I set  $2\,$ 

forces, magnets, movement and energy | upper primary | set 2

#### smooth

#### surface

forces, magnets, movement and energy | upper primary | set 3

### mechanism

forces, magnets, movement and energy | upper primary | set 3

forces, magnets, movement and energy | upper primary | set 3

#### lever

forces, magnets, movement and energy  $\mbox{\sc I}$  upper primary  $\mbox{\sc I}$  set 3

forces, magnets, movement and energy | upper primary | set 3

## gear

#### movement

forces, magnets, movement and energy | upper primary | set 4

# buoyancy

forces, magnets, movement and energy | upper primary | set 4

forces, magnets, movement and energy | upper primary | set 4

## energy

forces, magnets, movement and energy | upper primary | set 4

forces, magnets, movement and energy | upper primary | set 4

#### energy source
