

habitats, living things in their environment, classification,
food chains | lower primary | set 1

shady

habitats, living things in their environment, classification,
food chains | lower primary | set 1

damp

habitats, living things in their environment, classification,
food chains | lower primary | set 1

warm

habitats, living things in their environment, classification,
food chains | lower primary | set 1

windy

habitats, living things in their environment, classification,
food chains | lower primary | set 1

cold

habitats, living things in their environment, classification,
food chains | lower primary | set 1

shelter

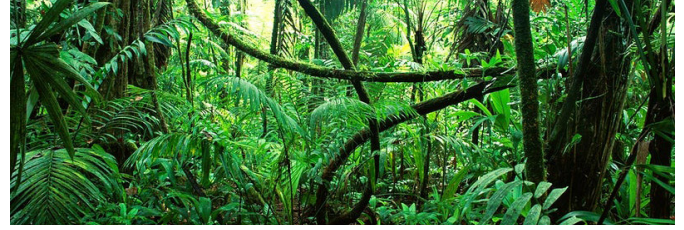

habitats, living things in their environment, classification, food chains | lower primary | set 2

ocean

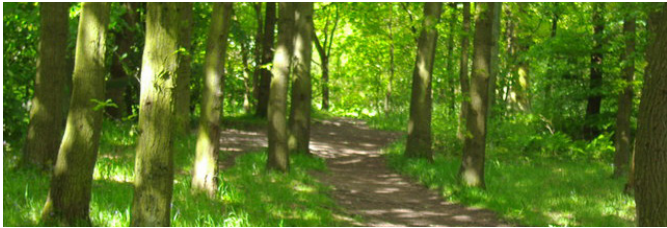

habitats, living things in their environment, classification, food chains | lower primary | set 2

rainforest

habitats, living things in their environment, classification, food chains | lower primary | set 2

woodland

habitats, living things in their environment, classification, food chains | lower primary | set 2

seashore

habitats, living things in their environment, classification, food chains | lower primary | set 2

desert

habitats, living things in their environment, classification, food chains | lower primary | set 2

river

habitats, living things in their environment, classification,
food chains | lower primary | set 3

food chain

Science
DICE

habitats, living things in their environment, classification,
food chains | lower primary | set 3

food

Science
DICE

habitats, living things in their environment, classification,
food chains | lower primary | set 3

sun

Science
DICE

habitats, living things in their environment, classification,
food chains | lower primary | set 3

plant

Science

habitats, living things in their environment, classification,
food chains | lower primary | set 3

animal

Science
DICE

habitats, living things in their environment, classification,
food chains | lower primary | set 3

grow

Science
DICE

habitats, living things in their environment, classification,
food chains | lower primary | set 4

living

habitats, living things in their environment, classification,
food chains | lower primary | set 4

once alive

habitats, living things in their environment, classification,
food chains | lower primary | set 4

never alive

habitats, living things in their environment, classification,
food chains | lower primary | set 4

natural

habitats, living things in their environment, classification,
food chains | lower primary | set 4

life cycle

habitats, living things in their environment, classification,
food chains | lower primary | set 4
