

habitats, living things in their environment, classification,  
food chains | middle primary | set 1

# vertebrate

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 1

# mammal

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 1

# amphibian

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 1

# bird

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 1

# reptile

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 1

# fish

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 2

# invertebrate

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 2

# insect

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 2

# flowering plant

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 2

# non- flowering plant

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 2

# fungi

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 2

# micro- organism

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 3

# food web

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 3

# carnivore

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 3

# herbivore

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 3

# omnivore

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 3

# producer

Science  
DICE

habitats, living things in their environment, classification,  
food chains | middle primary | set 3

# consumer

Science  
DICE

habitats, living things in their environment, classification, food chains | middle primary | set 4

# predator

Science  
DICE

habitats, living things in their environment, classification, food chains | middle primary | set 4

# prey

Science  
DICE

habitats, living things in their environment, classification, food chains | middle primary | set 4

# primary consumer

Science  
DICE

habitats, living things in their environment, classification, food chains | middle primary | set 4

# secondary consumer

Science  
DICE

habitats, living things in their environment, classification, food chains | middle primary | set 4

# survival

Science  
DICE

habitats, living things in their environment, classification, food chains | middle primary | set 4

# camouflage

Science  
DICE
